

TEC Community™ and CSR Report 2023

A Global Community with Purpose and Impact

At the heart of our organisation lies a vibrant and purpose-driven TEC Community™, comprised of our Members and Teammates and built upon the value of connections, collaborations, and shared goals. Our commitment lies in fostering a robust community through successful networking events, diverse activities, and our unwavering dedication to corporate social responsibility (CSR).

CHARITY PARTNER STORIES

With the support of our devoted Members and teammates, our TEC Community™ has demonstrated dedication to giving back by organising and participating in more than 60 charitable events and activities. From promoting education to enhancing healthcare and fostering environmental sustainability, our combined endeavours have had a positive impact.

TEC Community™ has proudly aided over 30 local charities, with an impressive 78% of our markets participating in our charitable initiatives. This section showcases several of our activities and the positive changes we have brought about in our local community.

Supporting Children with a Happy Smile

Our signature CSR campaign, “Give Back With Every Cup”, led by TEC Community™ partnered with Operation Smiles in Vietnam to play a pivotal role in covering the surgery cost for six children born with cleft lip, cleft palate or other facial deformities.

In addition to our signature campaign, Members and Teammates further contributed to our impact by selling unused office furniture – adding to the final donation count to Operation Smile. Alongside extra funds donated by our local team, we take pride in the meaningful impact we’ve accomplished.

Our campaign brought tangible benefits to the local community. By contributing to the surgeries of children in challenging economic conditions, we played a role in shaping a brighter future for them. This successful initiative served as a bridge, connecting TEC Members with the meaningful volunteer work undertaken by Operation Smile.

Through “Give Back With Every Cup”, we transformed lives and fostered a sense of community engagement and social responsibility among our Members.

Uniting for Migrant Workers with a Heartfelt Donation Drive

TEC Community™ Singapore and our esteemed Member, Brand Finance, proudly share the success of our donation drive supporting It's Raining Raincoats Singapore (IRR Singapore). The initiative aimed to collect essential items and resources for the migrant worker community, a crucial and valued group contributing significantly to Singapore through various roles such as construction work and sanitation.

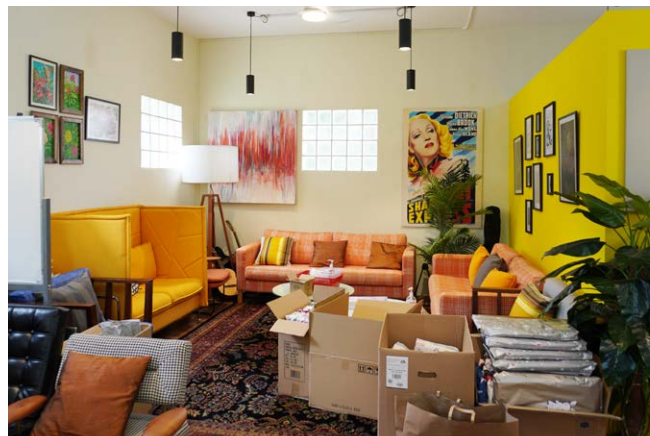

Our collaborative effort involved volunteers from Brand Finance, TEC Members and teammates who generously donated essential items and their time to sort and pack supply boxes. Almost 99% of the items received were brand new, ready to make an immediate impact.

These contributions offer crucial assistance and support to the migrant worker community. Donated items find their way to the IRR inspire Store, where workers can book a 'shopping' appointment, which fosters inclusivity and promotes dignity. The store provides breakout areas for relaxation on off days, and volunteers offer courses like guitar and English writing lessons, promoting positivity during their free time.

Global Community Statistics

100 boxes of supplies were donated including books, school stationary, clothes, toiletries, cleaning materials, small kitchen appliances, and other essentials.

1,200 kg of rice was packed by Members and Teammates and donated to 4 charities.

Sip with Purpose: Unique Coffee Experience with ASD Baristas

TEC Community™ Taipei organised a unique event featuring ASD (Autism Spectrum Disorder) patients as part of Hopestars' ASD Barista Project. The primary objective was to provide TEC Members with the opportunity to experience pour-over coffee prepared by ASD patients and gain insights into the Hopestars' impactful project while offering ASD patients a platform to showcase their talents to a broader audience.

The event took shape with Hopestars ASD patients visiting our TEC Centre, taking on the role of a one-day Barista. During this engagement, they served pour-over coffee to TEC Members and guests. Members actively participated by ordering coffee from a designated Barista. This fostered interactions with ASD patients and created a positive, inclusive atmosphere.

Beyond the immediate engagement, the event held meaningful benefits for the community. Members, guests, and teammates witnessed a commitment to social inclusion through our unique event – providing Members with a special barista coffee experience with valuable learning experiences within the TEC Community.

Winter Memories: Skiing for Underprivileged Children

Our local Charity Partner in Korea, Gangnam Dream Vill, plays a vital role in hosting and nurturing children whose parents are unable to care for them or those who have been abandoned at a young age. They currently offer a home to 47 children aged 4 to 18, with more than three-quarters attending primary school. The charity provides essential support such as shelter, food, social and physical activities, and necessary materials from a young age, including clothes, educational materials, toys, hygiene products, and more.

In a heartfelt initiative, TEC Community™ Korea recently donated a collection of skiing equipment, offering 16 Korean children facing difficult circumstances the chance to partake in an enjoyable ski trip. This meaningful contribution was made possible through the funds gathered during the “Give Back With Every Cup” CSR campaign, alongside engaging events like the Charity Bakery and the delightful Charity Cafe pop-ups held last year. The local team added to the collected funds to ensure a more impactful contribution, earmarking a specific amount for the children participating in the ski trip and providing them with top-notch winter sports gear, including tops, downs, earcups, gloves, and face protection.

Our TEC Community™ aspires to make a meaningful impact through these actions, fostering a vision where the world becomes a better place, and children can thrive in challenging environments, often requiring more than necessities. With this initiative, we aim to contribute to the well-being and development of these children, thereby creating a brighter future for both them and the world.

Aiding Flood and Disaster Victims with Collective Compassion

TEC Community™ India took proactive steps to aid those affected by the floods in several regions across India through a partnership with Goonj, a non-profit organisation helping the underprivileged and those impacted by disasters.

Collection boxes were strategically placed during a two-week-long collection drive across all our Bangalore Centres. TEC Members generously contributed essential household materials, including dry rations, ready-to-eat food packets, toiletries, footwear, clothes, sarees, utensils, raincoats, torches, blankets, and first aid boxes. The collective effort resulted in approximately 400 kgs of mixed materials, comprising dry rations and general clothing. These were then diligently handed over to Goonj to support those affected by the calamities in Assam and other regions.

Blood Donation Drive, Saving Lives

In partnership with the Red Cross, our landlord, Members and teammates across Indonesia, Macau and India participated in a blood donation drive. Our collective effort resulted in a total donation of 17,150 ml of blood. This initiative showcased our commitment to corporate social responsibility and emphasized the impact a unified global community can have on lifesaving endeavours. Our heartfelt thanks go to all participants for making this initiative a success.

Celebrating Impactful Partnerships

Reflecting on 2023, we are humbled and grateful for the opportunities we've had to collaborate with our inspiring charity partners. Together, we've embarked on a journey of making meaningful contributions to our communities.

Through collaborative efforts and shared values, we've tackled pressing societal issues, uplifted underserved communities, and fostered positive transformations. Our partnerships span across diverse areas such as environmental conservation, educational empowerment, healthcare accessibility, and other social initiatives, serving as beacons of hope and progress.

As we showcase the logos of our esteemed charity partners on this page, we also celebrate the numerous lives touched, realised dreams and all the smiles created. We appreciate each partner's unwavering dedication, passion, and collaboration. We are stronger together and look forward to making more impactful differences together.
